Oliver Njiru

olivernjiru.github.io | +254740729881 | Nairobi, Kenya | olivernjiru@gmail.com

Kenyan Citizen Open to Relocating/Remote Work

KEY COMPETENCE

- Coding in HTML, CSS, JavaScript, Vuejs, Python, Django, Java, C++
- Collaborative team player
- Open to learning new stuff

PERSONAL PROJECTS

E-Commerce Website | HTML, CSS, JavaScript, Vuejs, Django | VS Code, GitHub   November 2021 - Present
- Implements CRUD functionality by allowing the user to add, view, update or remove items in their cart.
- Implements a login system for users where they sign up if they are new.
- Enables users to search for items.

Hulu Landing Page Clone | HTML, CSS, JavaScript | VS Code, GitHub   July 2021 - July 2021
- Created a clone of Hulu's landing page matching everything.

Rock Paper Scissors Game | Python | VS Code, GitHub   September 2021- September 2021
- Implements random package, use of functions and if statements.

Hangman Game | Python | VS Code, GitHub   October 2021 - October 2021
- Implements classes where it imports the words from a words file.
- Utilizes random and string packages, functions and loops.

Parking Lot Management System | Java | NetBeans, Xampp   June 2019 - August 2019
- Checks users into a parking building/space with their desired parking level and/or space.
- Issues users a ticket number and stores their information in a Database.
- Fetches users' data and calculates the amount owed when checking out.

WORK EXPERIENCE

UI Tester | Remote, Nairobi   September 2020 – May 2021
Accomplishments
- Tested different User Interfaces for various companies around the world in their websites and applications.
- Gave my feedback on ways to improve their UI and make them more user friendly, reliable and convenient.
- Tested a bit of unreleased ML systems.

LEADERSHIP

Institute of Electrical and Electronics Engineers (IEEE) - Strathmore University Student Branch

Vice President   November 2020 – February 2021
- Was the Vice President and served directly under the IEEE SU Student Branch President.
- Helped in recruiting new members, posting updates about IEEE to the school and followed up on IEEE events.
- Stepped down on 2nd February.

EDUCATION

United States International University | Applied Computer Technology   January 2021 - Present
Dean's List 3.4/4.0

Strathmore University | Diploma in Business Information Technology   January 2019 - September 2021
Merit (B)
